Awards Ceremony for full Awards and Certificates of Achievements –
Tuesday 14 Sept, 6 for 6.30pm to approx. 7.15pm

2021 Info evening for interested families - Tuesday 14 Sept after the Awards, 7.15 to 8pm. Time to talk after

The dates below are required attendance 21-22 Expedition season

If intending to do the expedition in 2021-22 please check our dates against other school, club and family commitments. We cannot safely take people forward without completing all of the expedition course because the **remotely supervised** Final requires experience, knowledge, good teamwork and completion of the training framework. Everyone must undergo training, unless proven elsewhere, a Practice and then a Final.

Arrangements for the other sections are made individually, with an aim to start all sections by Christmas at the latest. There is a lot of local information and links about what you can do on our website under "sectional info". We are always here to advise and support choices. mob 07908954105; email info@gillinghamdofe.co.uk; drop into the meet room on a Tuesday for a quick chat.

Should costs seem prohibitive please talk to a leader in confidence. There may be support available.

ENROLMENT FEE. This all goes to Dorset Council. Bronze/Silver = £37, Gold = £47. Includes Welcome Pack, Discount Card and other shopping benefits, certificate/badge, online account and support for the life of the level. Once an account is opened and/or older than 2 weeks we will have incurred that cost ourselves and therefore can't refund. However, the enrolment remains in place until 25th birthday so any aspect of the Award can be picked up at a later date or transferred to a new school/unit.

FIRST AID **For any new enrolment undertaking the expedition:

One day (6hr) Nationally Accredited 6hr Emergency First Aid is mandatory training - £30 (**valid 3 years**).
Friday January 7 2022 (School Inset Day) OR Saturday 26 February OR Sunday February 27 2022

Event costs, as above, cover weekly room hire, admin (printing, copying, and postage), specialist unit insurance, charity audit, leader training and accreditation, training resources for participants, camping/bunkhouse fees, expedition consumables, transport hire, fuel, equipment repair and replacement, (finals) assessors etc.

Fundraising is undertaken to help reduce costs.

Some personal equipment can be borrowed. We supply all team equipment – tents, stoves, fuel, maps compasses, shelters etc.....

Volunteering, Physical and Skills sections are usually arranged between the Participant's family and whoever they are doing the activity with. It's very important to engage with eDofE (online activity record) and very important to always check out ideas for the DofE sections and to have them approved beforehand on eDofE. It's not always as simple as it sounds!! Costly mistakes can be made – on the other hand we are full of bright ideas as to what can count, where and how!

Where others are working with your child you are strongly advised to check out insurance cover and to be confident in regard to child protection.

Only DC DofE **leader led** activities are insured for Public Liability risk by DC (Dorset Council). The Award provides minimal personal accident cover <https://www.dofe.org/run/insurance/>
